In some cases, a government backlog or problems with the government platforms (e.g. MCA website, Income Tax website, FSSAI website) can lead to long delays before your process is complete. Similarly, Taxopti does not guarantee the results or outcomes of the services rendered by our Associates on Nearest. Expert platform, who are not employed by Taxopti. Problems like these are beyond our control and are not covered by this guarantee or eligible for refund. Hence, delay in processing of your file by the Government cannot be a reason for refund.
